

3rd July 2008

TO WHOM IT MAY CONCERN

This is certify that Associated Consulting Engineers (ACE) International- Dubai have been involved with the International City project as Consultant on the Design and Construction Supervision of the Infrastructure and the 15 packages of Residential Buildings from 2002 to date.

We are pleased to state that M/s ACE International has provided their services successfully in a professional manner, in line with the contract requirements and to the satisfaction of the Nakheel International City Management.

Yours Faithfully,
For Nakheel

Rashid Al Helli
Director
International City
